I was informed through a Letter through the Equal Employment Opportunity Commission, dated for April 05, 2012, that my request for this information and documentation and Charge of Discrimination was denied due to it not being made in a timely fashion. I and the rest of the Applicants for Employment with the Michigan State Police that was present at the Seminar at the Detroit Post, was informed by the Departmental Recruiter of the Michigan State Police that we was not obligating ourselves to being recruited and or to being placed in training (not word for word), by applying for employment through the Michigan State Police with the opportunity for the applicant to change their decision at anytime during the Application for Employment with the Michigan State Police Process. I am an Applicant that have been informing the Michigan State Police of my changed decision since the Year of 1999. I changed my decision to not being a candidate for hire or training through the Application for Employment with the Michigan State Police. I am aware that there is no excuse needed for the Applicant to change their decision from applying for employment to not applying for employment through the Michigan State Police, and to

have informed them through the Michigan State University, Police Training Academy and or through the Michigan State Police Training Academy. My All Public Records that I request from the Michigan State Police Training Academy, should show the results of their investigation of my education and search of me for a criminal history that includes very urgent information that I need to have in my possession such as: My Corrected High School Grade Point Average from a 1.67 to the 3.0 or higher grade point average, The Dismissal and or Annulment information of the Marriage that was registered at the Justice of Peace in the State of Ohio, on August 18, 1997 between Quwintel Lefay Rainer and I, Gary Ellis Davis, The results of the Stress Test and Psychological Examination that took place through the Application for Employment with the Michigan State Police, of Application: Social Security Number, 371-80-1799 that shows that I have been and is the most intelligent person alive, The Investigation Report of the Search of me for a Criminal History showing illegal sabotage efforts against me by those handling an investigation and secret operations regarding me including illegal efforts by others of illegally signing me into agreements without my legal and official consent and the Documents that show that these agreements have been revoked at my request through the Michigan State Police Training Academy including any of these agreements among any Religious Organizations (including among Jehovah's Witnesses), The Results of the Federal Indemnification Process regarding the Law Suit between Alro Steel Corporation/Alro Specialty Metals (a Michigan Corporation) and I, Gary Ellis Davis, and the Report that shows that the alleged wrong doing found during the Background Check that I passed that was used to administer the Stress Test Procedure was found not to be truly wrong doings against me where applicable, and another copy of the Written Examination of the Application for Employment with the Michigan State Police that sows that I passed the Written Examination and qualified for a Motor Carrier Officer and a Patrol Officer Position. I am suing the Michigan State Police Training Academy, located at Address: 7426 North Canal Road, (City) Lansing, (State) Michigan, (Zip Code) 48913, for the $75,000.00 that includes the $350.00 Filing Fee and Approximately $150.00 for the cost of copies, envelopes, gasoline, that I spent in filing this Law Suit, and for the inconvenience of being without my Public Records since August 30, 2010 when I won the Post Law Suit between the Michigan State Police and I, Gary Ellis Davis, that I have not received yet. I request that the $75,000.00 cash lump sum amount is made available to me apart from my Wage Pay that is owed to me by the Michigan State Police and by any other Department of Justice that owes me a Wage Pay through the Michigan State Police Training Academy. I do not allow the Michigan State Police and or the Federal Bureau of Investigation or any other Department of Justice to hold me over into the Application for Employment with the Michigan State Police Process to assist them in their Law Enforcement Operation or Operations including regarding the United States of America Government and the Religious Organization of Jehovah's Witnesses and the Watch Tower Bible and Track Society, Inc.. I request that the Michigan State Police Training Academy run a Credit Check regarding me and to disburse a check payment to each creditor for the amount owed to them from my wage pay owed to me by the Michigan State Police or from the $75,000.00 Cash Lump Sum Amount that I am suing them. I request that the cost of my All Records and Documentation requested by me from the Michigan State Police Training Academy to be deducted from my wage pay that is owed to me by the Michigan State Police or from the $75,000.00 Cash Lump Sum Amount that I am suing for. I do not have a history of any mental illness or of any mental disorders of any form. I do not have the A.I.D.S. Virus or any A.I.D.S. Related Viruses or any other sexually transmittable diseases, to the best of my knowledge I have tested negative for any sexually transmittable diseases. I am a High School Graduate and have some College Education and

some Technical School Education. My Marital Status is Single. Through out life I plan to invest money in Bank Accounts including High Interest Savings Accounts and my own established Businesses and possibly Common Stocks in a spiritual clean manner. INFORMATION RELATED TO FILING SUIT UNDER THE LAWS ENFORCED BY THE EEOC

(This information relates to filing suit in Federal or State court under Federal law. If you also plan to sue claiming violations of State law, please be aware that time limits and other provisions of State law may be shorter or more limited than those described below.)

PRIVATE SUIT RIGHTS -- Title VII of the Civil Rights Act, the Americans with Disabilities Act (ADA), the Genetic Information Nondiscrimination Act (GINA), or the Age Discrimination in Employment Act (ADEA):

In order to pursue this matter further, you must file a lawsuit against the respondent(s) named in the charge **within 90 days of the date you *receive* this Notice**. Therefore, you should **keep a record of this date**. Once this 90-day period is over, your right to sue based on the charge referred to in this Notice will be lost. If you intend to consult an attorney, you should do so promptly. Give your attorney a copy of this Notice, and its envelope, and tell him or her the date you received it. Furthermore, in order to avoid any question that you did not act in a timely manner, it is prudent that your suit be filed **within 90 days of the date this Notice was *mailed* to you** (as indicated where the Notice is signed) or the date of the postmark, if later.

Your lawsuit may be filed in U.S. District Court or a State court of competent jurisdiction. (Usually, the appropriate State court is the general civil trial court.) Whether you file in Federal or State court is a matter for you to decide after talking to your attorney. Filing this Notice is not enough. You must file a "complaint" that contains a short statement of the facts of your case which shows that you are entitled to relief. Your suit may include any matter alleged in the charge or, to the extent permitted by court decisions, matters like or related to the matters alleged in the charge. Generally, suits are brought in the State where the alleged unlawful practice occurred, but in some cases can be brought where relevant employment records are kept, where the employment would have been, or where the respondent has its main office. If you have simple questions, you usually can get answers from the office of the clerk of the court where you are bringing suit, but do not expect that office to write your complaint or make legal strategy decisions for you.

PRIVATE SUIT RIGHTS -- Equal Pay Act (EPA):

EPA suits must be filed in court within 2 years (3 years for willful violations) of the alleged EPA underpayment: back pay due for violations that occurred **more than 2 years (3 years) before you file suit** may not be collectible. For example, if you were underpaid under the EPA for work performed from 7/1/08 to 12/1/08, you should file suit before 7/1/10 – *not* 12/1/10 -- in order to recover unpaid wages due for July 2008. This time limit for filing an EPA suit is separate from the 90-day filing period under Title VII, the ADA, GINA or the ADEA referred to above. Therefore, if you also plan to sue under Title VII, the ADA, GINA or the ADEA, in addition to suing on the EPA claim, suit must be filed within 90 days of this Notice and within the 2- or 3-year EPA back pay recovery period.

ATTORNEY REPRESENTATION -- Title VII, the ADA or GINA:

If you cannot afford or have been unable to obtain a lawyer to represent you, the U.S. District Court having jurisdiction in your case may, in limited circumstances, assist you in obtaining a lawyer. Requests for such assistance must be made to the U.S. District Court in the form and manner it requires (you should be prepared to explain in detail your efforts to retain an attorney). Requests should be made well before the end of the 90-day period mentioned above, because such requests do not relieve you of the requirement to bring suit within 90 days.

ATTORNEY REFERRAL AND EEOC ASSISTANCE -- All Statutes:

You may contact the EEOC representative shown on your Notice if you need help in finding a lawyer or if you have any questions about your legal rights, including advice on which U.S. District Court can hear your case. If you need to inspect or obtain a copy of information in EEOC's file on the charge, please request it promptly in writing and provide your charge number (as shown on your Notice). While EEOC destroys charge files after a certain time, all charge files are kept for at least 6 months after our last action on the case. Therefore, if you file suit and want to review the charge file, **please make your review request within 6 months of this Notice**. (Before filing suit, any request should be made within the next 90 days.)

IF YOU FILE SUIT, PLEASE SEND A COPY OF YOUR COURT COMPLAINT TO THIS OFFICE.

Patrick V. McNamara BLDG., Rm. 865
Detroit, Michigan 48226

Re: Application for Employment with the Michigan State Police, of Application: Social Security Number, 371-80-1799.

I, Gary Ellis Davis, received an explanation from the Equal Employment Opportunity Commission in the Year of 2011, for why I did not receive my results of the Departmental Recruiters Search of the Stress Test and Psychological Examination Procedures and my Wage Pay for being put through the Stress Test Procedure. I was informed through the Report through the Equal Employment Opportunity Commission that all Judicial Proceedings being conducted regarding me must conclude first and Police Operations must not be obstructed and that I should try again at a later date. The Judicial Proceeding being conducted at the time was a Class Action Law Suit that have been settled since then and I made known to the Michigan State Police Training Academy, that I do not volunteer to remain into the Application for Employment with the Michigan State Police, to assist in any Police Operations any further, through the Application for Employment with the Michigan State Police, of Application: Social Security Number, 371-80-1799. On March 12, 2012, I mailed a request to the Michigan State Police Training Academy, for the Pro Law Suit that I Sued the Michigan State Police, Filed by the United States District Court on August 30, 2010, that included the Order to the Michigan State Police to release to me the Envelope Package and Wage Pay apart from the Lump Sum Cash Amount Settled for, that I was informed by the Michigan State Police Recruiter Trooper Victor Latimore (Last Name might be spelled wrong), that will contain a Form that must be filled in with a number two lead pencil or alternate lead pencil and mailed off in the Self Addressed Postage Paid Envelope that will be found in the Manila Envelope that that I should receive in the mail by Priority Mail through Regular Mail, following the Stress Test and Psychological Examination Procedures. I was informed in the middle of the Year of 2011, by the Michigan State University, that they do not handle the Application for Employment with the Michigan State Police, and that I might want to contact that Michigan State Police, Police Academy (not word for word). I was also informed in person by the Head of the Training Department at the Michigan State Police Training Academy, a Marilyn, on January 14, 2011, that I will receive the correspondence to my Letters of Request for this information including the Test Results, in the mail and I have not yet received it, or the release from the Departmental Recruiters Search of the Stress Test and Psychological Examination Procedures. The Application for Employment with the Michigan State Police, of Application: Social Security Number, 371-80-1799, regarding I, Gary Ellis Davis, is still an open Application. I believe that I could possibly be a victim of Discrimination due to the Very Good Results of the Genetic Testing showing, and Retaliation for Filing and Winning a Pro Law Suit against the Michigan State Police in the Year of 2010 and winning a Pre Law Suit against the State of Michigan Corporation of Alro Steel Corporation/Alro Specialty Metals (there was an investigation regarding racism involved in a possible crime committed by the Alro Specialty Metals Management), and possibly due to my Race, being Black American, there was an indication through the Departmental Recruiters Search that some Department of Justice Personnel and or Religious Organization Representatives assigned to the Application: Social Security Number, 371-80-1799, regarding I, Gary Ellis Davis, that believes that black people should be forced into slavery. I have a reason to believe that the Results of the Psychological Examination is showing High Score Results,

regarding: Intelligence, Reasoning, Comprehension, Honesty, Human Relations, Use of Good Judgement, Race Relations, True Justice, and Love. I look forward to receiving the Pro Law Suit Settlement Award that I Sued the Michigan State Police for in the Year of 2010, including the Envelope Package that contain the results of the Stress Test Procedures and my Wage Pay for being put through the Stress Test Procedure. I am aware that the Marriage between Quwintel Lefay Rainer and I, Gary Ellis Davis, was Annulled do to it being illegally arranged and assured by the Departmental Recruiter Trooper Victor Latimore and possibly others assigned to the Application: Social Security Number, 371-80-1799 and illegally registered at the Justice of Peace in the State of Ohio, and that my Marital Status is Single. I, Gary Ellis Davis, is aware that I am not a Member of any Religious Organization including of Jehovah's Witnesses, and is not an Un Baptized Publisher among Jehovah's Witnesses, due to an illegal Registering of my Baptism and Ordaining to a Minister, and Un Baptized Publisher Statuses, that I requested that the illegal Registering be revoked. Along with this Letter I am forwarding supporting information to the information contained in this Letter. I just received a Court Order Subpoena regarding an Amount owed to a Creditor, to be heard in the 22nd District Court in Inkster, Michigan, today on March 17, 2012, that expire in early April of 2012.

Re: Watch Tower Bible and Track Society, Inc. and the International Bible Students Association, and Others.

I, Gary Ellis Davis, request to be immediately released from any Protection Plan Provision that I have been placed in by the Watch Tower Bible and Track Society, Inc. and or the International Bible Students Association, and or through any Congregation of Jehovah's Witnesses (including through the South Southfield Congregation of Jehovah's Witnesses and the Livonia West Congregation of Jehovah's Witnesses). According to the Holy Bible, Jehovah God have not given any member of the Governing Body of Jehovah Gods' Earthly Organization of Jehovah Witnesses, the Authority and or the Liability for the next Minister Servant of Jehovah God to where they could speak on their behalf and or to make decisions for that next Minister Servant of Jehovah God to the Secular Authorities without the next Minister Servant of Jehovah God legal consent or through some other legal and official agreement by the Law of the Land regarding the next Servant Minister of Jehovah God, without committing a possible sin before Jehovah God and a Crime by the Law of the Land. I do not and have not given any Representative of the Watch Tower Bible and Track Society, Inc. and or of the International Bible Students Association, and or of any Congregation of Jehovah's Witnesses, permission to speak on my behalf and or to make any decision or decisions for me, and this is not including to the extent that I ever gave anyone permission to speak on my behalf to inform a Medical Care Provider of my stand on Blood Transfusions. I request that any of the Protection Plan Provisions (including any Agreement regarding the Legal establishing of the Right to Preach the Good News of God's Kingdom) in effect or planned to be in effect someday that includes me and is regarding me by the Watch Tower Bible and Track Society, Inc. and or the International Bible Students Association and or by any Congregation (or Tribe) of Jehovah's Witnesses, be immediately Revoked. I was not asked for permission by any of their Representatives regarding the speaking on my behalf and or regarding the making of any decision or decisions for me. There is no unrighteousness in connection with Jehovah God and each person is accountable for themselves to Jehovah God, according to the Holy Bible. According to the Holy Bible Jehovah God do not require His Ministers to oppose Him in any way or form in their efforts to receive the Right to Preach the Good News of His Kingdom, including through any agreements with the Secular Authorities.

Head of the Department of Training, Marilyn,

I, Gary Ellis Davis, give the Michigan State Police Department of the Michigan State police Training Academy permission to immediately mail to me the Training to be offered to me after my release from the Departmental Recruiters Search of the Stress Test and Psychological Examination Procedures Information, including the Internship Information and the results of the Stress Test and Psychological Examinations. I never forbid the Michigan State Police from mailing me this information but I did make known my decision regarding the Training to be offered to me following the Stress Test and Psychological Examination Procedures, I understood that the Training to be offered the Applicant of the Application for Employment with the Michigan State Police was not mandatory for the Applicant to accept. If the Training to be offered the Applicant was mandatory for the Applicant to accept, I would have not have opposed the accepting of it. I will be informed through the information that I receive through the mail regarding the Training that was or is to be offered to me from the Michigan State police Training Academy, if there is any mandatory training that was or is being offered to I, Gary Ellis Davis, Applicant: Social Security Number, 371-80-1799, of the Application for Employment with the Michigan State Police. I am aware that the Michigan State police will contact the Individuals that was affected by the Stress Test and Subject to a Psychological Examination in connection with the Stress Test that I am enduring shortly after they receive the information that I will fill in with a number two lead pencil or alternate lead pencil, and that they will conduct a Search of my place of residing. I plan to cooperate with the Michigan State Police regarding any next Step instructions that will be contained in the Manila Envelope Packages that I should receive soon in the Mail by Priority Mail.

I, Gary Ellis Davis, is forwarding a copy of the Rental Agreement between the Budget Inn Motel and their Guest along with this Letter. The Weekly Rental Amount is $155.00 for Room 103. The Bi-Weekly Amount is $310.00 for Room 103. The Monthly Amount is $620.00 for Room 103. The Late Fee is $10.00 and sometimes they offer a $5.00 Late Fee. The Utilities and Phone and Heat and Air Conditioning and Room Service and a Secured Parking Lot is included in the Rent for Room 103. The Budget Inn Motel Rooms is sprayed with insecticide during each Year. The Phone is only allowed to make local calls to the (313) area code area. The Room 103 that I rent allows up to three tenants. I am the only tenant and have been since I have resided there from the early part of April of the Year 2007. The Room Service has been lacking greatly and there is mold and mildew in the Bathroom, I have informed Management of these issues. I do not have a lease agreement with the Budget Inn Motel but they do allow me to have an account with them. I am aware that after my release from the Stress Test and Psychological Examination, I could easily budget in a purchase of a newly built house and I am aware of the importance to prepare for the possible Black Hole formation and alignment with the Sun issues.
